DE2103

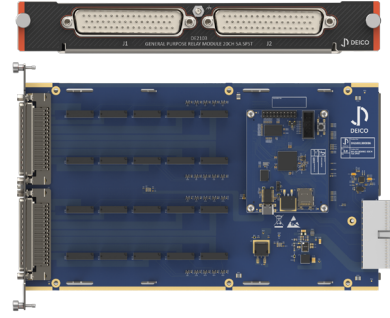

General Purpose Relay Module

20 CH 5 A SPST

- 20 channel SPST EMR switching
- Fail-safe on power loss (NO default)
- High power relay module
- 277 V AC or 125 V DC switching voltage
- 5 A switching current
- Max. 100 m Ω contact resistance
- 10 ms operate and 5 ms release time
- Hot or cold switching
